Application/Order Form  
2014 Season**

When you purchase a Community Supported Agriculture (CSA) share, you will support Kate's Garden and receive organically grown vegetables weekly for 16 weeks during the growing season.

The first share is scheduled to be available on June 19th, with pick up days every Thursday until October 2nd. Of course, this will depend on how our spring heats up. Depending on the weather we may start a little earlier, or even later if necessary. We will let you know how the garden is progressing. Pick up times will be from 2 to 6 PM here at the garden which is in Billings Heights....2055 Andromeda Ln.

Complete the form and mail to the address below. By completing this form you are acknowledging that CSA shareholders share in the seasonality and risks of the growing season; that the Farm strives to provide a diverse and generous supply of produce for 16 weeks; and you understand and accept the inherent risks of farming which impact crop yields.
